The Naked Ones is a series about the world of XXX without the XXX! No sex, no drugs, no swearing. Nothing explicit, apart from the constant laughs.

It's 24 webisodes chronicling the adventures of 5 porn stars, an oh-so-French director, and a devoted assistant, as they move from set to set. It's a light-hearted look at adult entertainment, giving us a peek as this low-down, seedy world without ever going below the belt. It's the very climax, of laughter!
