Meet Mikey, a laid back, unassuming pig who moves to the city to live with his wealthy cousins, the obnoxious and imperious Martha, and her twin brother Reggie, a warm hearted but slightly dimwitted rocker. These three pigs are really just your typical teens, with all of the awkwardness, confusion and growing pains of adolescence. No huffing, no puffing, just three mixed up teenage pigs living in the affluent heart of Pork City, confronting the challenging and often comedic highs and lows of everyday teenage life. Mix it all up with sitcom style dialogue, humour, rock-and-roll and you've got **Pig City!**
