

Benjamin The Elephant

ANIMATION

BENJAMIN is a protective and tender-hearted elephant with a strong sense of right and wrong.

He lives with many other animals in Newtown's zoo. His best friend is the little schoolboy Otto. Benjamin and Otto are an unbeatable team. Whenever help is needed - no matter where - the two pals are ready to go.

In 52 exciting adventures, BENJAMIN appears in the most unusual roles. He happily helps out when there is a desperate need for a night watchman or the lighthouse keeper is on vacation. Benjamin and Otto don't mind travelling to the Arctic Ocean when the little baby walrus Wanda is kidnapped by the crooks Hinky and Pinky.

Preschoolers will experience in an easy understandable way how to deal with conflicts, how problems can be solved in a team and the importance to differ between good and bad.

Sophisticated, heart-warming stories have made this cuddly elephant a lasting superstar.
