Welcome to the wonderful world of **MATI AND DADA**, where learning meets creativity and imagination. Seven-year-old Mati, a cheerful young girl with a zesty passion for art, is magically transported into the lives of great artists by her eccentric sidekick, Dada. Together these two friends go on exciting adventures, solving little mysteries and getting caught up in bumbling confusions, en route to learning about art from the masters. *Produced by Achtoons srl - RAI Fiction*

Adventuring into the lives and artworks of great artists is filled with intrigues and tons of fun:

- Getting lost inside a Jackson Pollock masterpiece.
- Taking a ride on a Leonardo da Vinci helicopter design.
- Helping Vincent Van Gogh get a runaway cloud back into his painting.

With the unpredictable and often silly Dada always at her side, Mati knows that even the simplest situation can get way, way out of hand!
