SYNOPSIS

An award winning web series that gives young audiences **in-depth** profiles of figures in the media who have made a significant **impact** on the **entertainment industry**. We're here to provide the trivia you've never heard of, to uncover and critically look out the works that made the figures we're looking at who they are today. If this is sounding too 'History Channel-esque' for you, don't worry. *Out of Frame* combines the **fun and critical facts** about leaders in the entertainment industry while using the ever-popular 'YouTube Web Blogger' format including an eccentric host, engaging visuals, and a **sens of humour** that will keep you entertained for seasons on end.
