"Sylvain le Magnifique" follows the ups and downs of a magician (Sylvain, called the Magnificent) who practices his genuine magic in secret. Sylvain is at a turning point in his career. He is a little disillusioned by life: his agent and cousin Marc is a total incompetent and moreover, he just broke up for the eighth time with his long-time girlfriend Lea.

When Sylvain finds out that Lea is seriously dating a new guy (Jug, a BMX professional), it's a real slap on the face. He then only has one idea in mind: win back Lea's heart. But he will go far, way too far. His jealousy gets him to use his magic against Jug. Lea (the only knowing about his little magic secret) is well aware of what he has done. She will never forgive him.

But one day, a unique opportunity arises and Sylvain does not hesitate to seize the occasion to embark on a "suicidal" adventure. And maybe who knows... burnish his image to Lea's eyes!
